

# Brief for Venezia Duffle product description

The Venezia Duffle is a rugged, masculine leather travel bag. Write 200 words and be creative. I don't want an ordinary, run-of-the-mill product description.

Features:

- Strong leather smell
- Weighty, thick, grainy brown leather
- Soft and pliable (rolls rather than creases if you pinch it)
- Hand-crafted in Tuscany
- Polished calf-skin
- Lined with 100% cotton/denim
- Interior zipped pocket
- All the seams are double-stitched
- Handles are reinforced
- All zips and other hardware are brass
- Sized for an overnight trip and for carry-on on a plane
